April 2026

Renewals. Planning.
Site operations.

Project updates

OHL & E&P renewals

April's programme brings together OHL rewiring and disconnecter renewals, Kensal 11kV works, ESIP switches and Edgeley Feeder Station.

Merseyrail stations

Platform lining, signage and vegetation-related access planning across the Merseyrail network.

LNW North structures

Structure examinations across the Liverpool and Manchester regions of LNW North.

Planning & delivery support

Across this month's workstreams, ROPS supported project management and access, possession, isolation and SSOW planning. This included coordination of current and upcoming work packages and the development of new programmes.

On-site delivery support included the coordination of Engineering Supervisors, Points Operators and COSS.
